

Dear Head Teacher,  
managing the risks faced by your learning institution does not have to be complicated.

**The Association of Kenya Insurers** has developed a simple to use **Risk Assessment Template** that will help you identify, manage, and monitor risks.

Download the template today from **[www.akinsure.com](http://www.akinsure.com)** and get information on risk management aligned to the Ministry of Education Safety Standards Manual.

- Risk Area / Exposure
- Actions required
- Insurance cover solution
- Composition of School Safety Committee members
