

## TENDER NOTICE

The Association of Kenya Insurers (AKI) is an independent non-profit making consultative and advisory body for insurance companies in Kenya.

AKI is mandated to promote cooperation amongst its members; protect and promote the member's common interests; raise awareness about insurance to the general public; conduct market research and capacity building for the industry. The association currently has 54 members and 4 associate members.

AKI would like to engage a consultant to undertake a feasibility study on motor assessment centres. We also would like to engage a consultant to develop a motor spare parts database. These are unique assignments that require consultants who are familiar with the operations of the motor industry.

AKI invites bids from interested and competent firms to tender for the following:

No	Tender No & Description
1.	AKI/RFP/3/2021: Motor Assessment Centre
2.	AKI/RFP/3/2021: Motor Spare Parts Database

Interested firms may download the Terms of Reference from the AKI website [www.akisnure.com](http://www.akisnure.com)

Completed Tender Documents should be submitted in plain sealed envelopes bearing the relevant tender reference number and description to be deposited in the Tender Box at the AKI Center on or before **Friday, 26<sup>th</sup> March 2021**.
